May 20, 2009

TO: Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2275 by Raymond (Relating to creating a task force to develop uniform standards for subdivisions in the unincorporated areas of counties near the international border and in economically distressed counties.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would amend statute and create a task force to research and identify the conflicts and deficiencies in current law regarding the regulation of subdivision development in the unincorporated areas of counties near the international border and in economically distressed counties. This task force must develop recommendations and draft a proposal for legislation to create uniform standards for subdivision regulation in these areas. The Texas Water Development Board would provide administrative support to the task force, including necessary staff and meeting facilities.
